Two of the Japanese were arrested later.  
At about 7:45 o'clock last night a Japanese was taken to the police station with every appearance of being the possessor of a broken jaw. It seems that he had been assaulted by two bluejackets from the U. S. S. Philadelphia. Dr. Emerson was first called and then Dr. Mori. The man was put in a stretcher and carried to his home. The two bluejackets were arrested and now await investigation.

**Our Underwear Sale a Success.**

**Will be Continued This Week.**

The low prices astonish and please all. We have been asked dozens of times how we do it.

First. These goods are made specially for our trade.

Second. We always buy for cash.

Third. Small profit satisfies us.

We will continue the sale this week, but as we are fast running out of sizes we would advise an early call.

The 50 cent night gown is a wonder. The \$1 night gown is the best value ever offered and can't be made at home for that price.

The drawers for 50 cents with tucks and embroidery, can't be duplicated.

The skirts at 50 cents and \$1 are genuine bargains.

The corset covers for 60 cents are going fast, and the sizes are already broken.

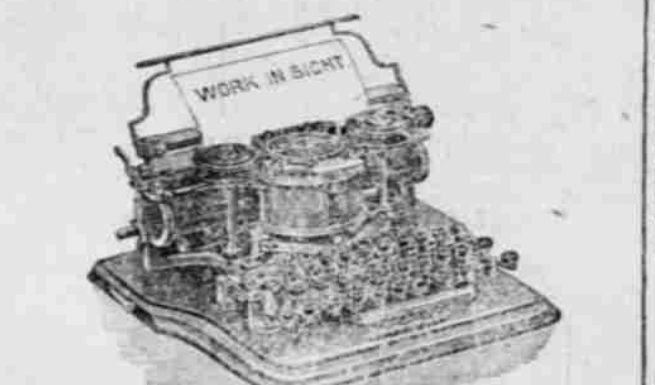

A hint to shrewd buyers is sufficient.
